Accessories suitable for

RV 40-SL | 120-SL | 220-SL | 420-SL

Accessories

Perforated screens for rotary vibrators

Description	No.
Paper filter PFM40	66498
Mounting set connection to PFM40 on RV 40-SL	72026
Automatic paper filter PFA120	69786
Automatic paper filter PFA180	68168
Flowmeter 0,2-5l/min	73133
Mounting set connection to PFA 120 | 180 on RV 120-SL | RV 220-SL | RV 420-SL	72720
Refractometer	14578
Drain strainer for rotary vibrator closed	68533
Drain strainer for rotary vibrator 2 mm slots / boreholes	68534
Perforated screens for rotary vibrators	on request
Grinding media and compounds you will find on page 64 - 68	

Spare parts

67728

Description	No.
Filter fleece to PFM40 | PFA120	66404
Filter fleece to PFA180	69741
Pump ASM 60/120 to RV 40-SL, PFM40	70027
Pump to automatic paper filter PFA120 & PFA200	73918
Dosing pump	67728

RT 200 | RT 400 | RT 600 | RT 800

Accessories

Description	No.
Dry media and compounds you will find on page 68	

Spare parts

Description	No.
Dust cover (without suction)	on request
Motor for hot air blower	on request
Motor for hot air blower RT400	72824

Accessories suitable for

All Slide/Vibratory grinding machines | Centrifugal plants

Ceramics grinding tools
